

How to create resume on EuroPass ?

EuroPass Link : <https://europa.eu/europass/en>

Create Resume Flow :

- After login with 2FA with mobile device continue with pending request and App Name is **EU Login** and redirecting to Dashboard page
- dashboard link is <https://europa.eu/europass/eportfolio/screen/dashboard?lang=en> .
- On menu baar hover or click the Me Tab and click on [My profile.](#)
- In my profile page we will info tab above profile section. We will click on [Create your CV now link.](#)
- Next page will be following after click on link and click on start from your profile resume
- We will show and hide content according to need
- We will do next to Select and Edit and Next to Select template and then save into Pdf section
- We will remove europass logo in select template section.
We can rename our cv and download into pdf and can do more options.
