Cricket

Cricket is a bat-and-ball game played between two teams of eleven players on a circular or oval-shaped field. The objective of the game is to score runs by hitting the ball with a bat and running back and forth between two sets of wickets, which are three wooden stumps with two bails on top of them. The team with the most runs at the end of the match wins.

Thank you for your consideration and I look forward to hearing from you soon.
